Kiss her every day before she goes to work.

Hug him every day before he goes to work.

Take one minute to be intimate with each other before you leave your home.

One minute.

You have the time.

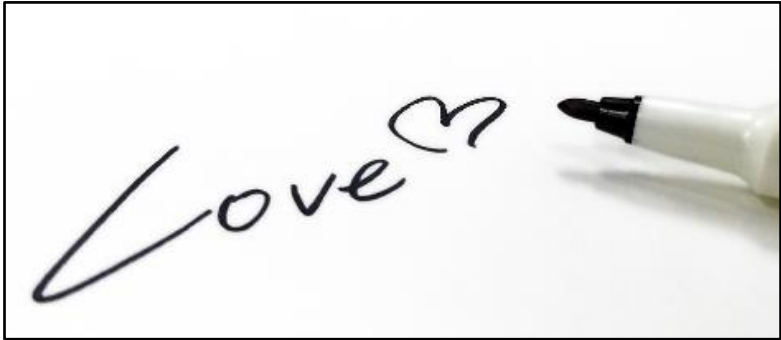

**Leave love notes for your love one
scattered around the house**

At least one note each day.

Make it personal.

Short is fine.

Long is just as fine.

Celebrate Valentine's Day on April 19th.

And June 22nd.

And September 4th.

And October 29th.

And December 31st.

Shower together at least twice a week.

Nothing has to happen.

Just soap each other.

Rinse each other.

Enjoy each other.

Spend 7 minutes in silence together at least three times a week.

7 minutes is a very long time.

Sundays are not for football unless you both love it.

Saturdays are not for jobs around the house unless you both love it.

At least not every Saturday.

At least not every Sunday.

Do something naked together as often as possible.

Make love.

Play Scrabble.

Do the dishes.

Dance the rumba.

Here's a little inspiration:

Sing a silly love song together.

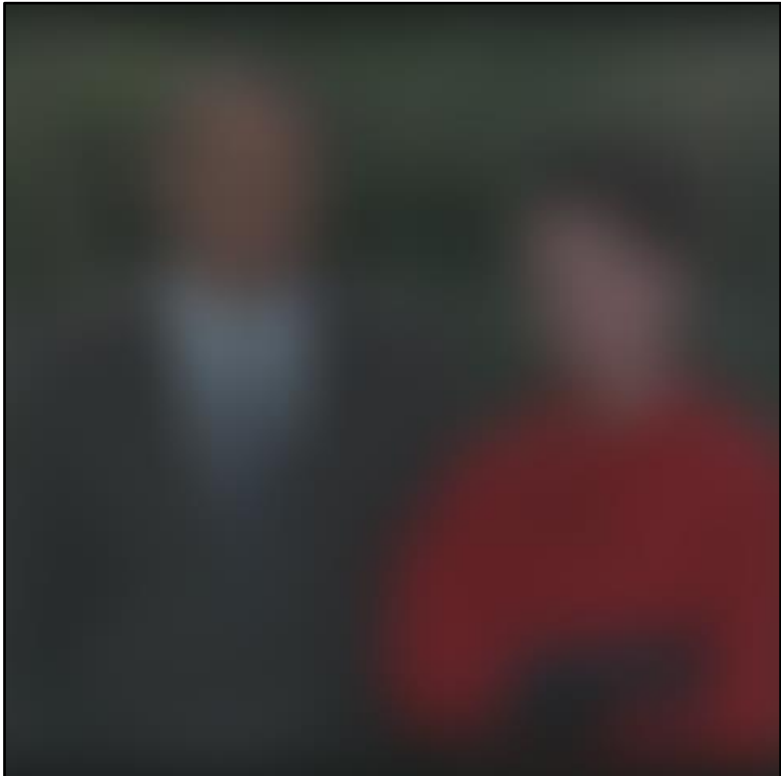

Out of tune is okay.

Loud is great.

Soft is just as great.

Play charades ... in the dark ... touch only.

Read a funny limerick.

Or a sexy limerick.

Do it dramatically.

With lots of movement and emotion.

And laughs.

Nose kiss for five minutes.

No lips.

No tongue.

**Just the noses touching, rubbing,
caressing.**

Lasso the moon for your loved one.

**Watch a romantic movie together.
Stop whenever the mood hits you.**

Whisper the lyrics of your favorite love song into your loved one's ears.

Do it slowly.

With feeling.

Play footsie in a restaurant.

No shoes.

No socks.

Undies optional.

Make Tuesday your date night.

Make Wednesday your date night.

Pick a weekday and make it yours.

Keep it sacred.

No excuses.

Write a love poem.

It doesn't have to be great.

It doesn't have to be romantic.

Just a poem for the one you love.

Yet, love, mere love, is beautiful indeed
And worthy of acceptance. Fire is bright,
Let temple burn, or flax; an equal light
Leaps in the flame from cedar-plank or weed:
And love is fire. And when I say at need
I love thee...mark!...I love thee—in thy sight
I stand transfigured, glorified aright,
With conscience of the new rays that proceed
Out of my face toward thine. There's nothing low
In love, when love the lowest: meanest creatures
Who love God, God accepts while loving so.
And what I feel, across the inferior features
Of what I am, doth flash itself, and show
How that great work of Love enhances Nature's.

Make her queen for a day.

Make him king for a day.

Together rule the world.

Watch *Game of Thrones* for inspiration.

The sex, not the wars.

Dress each other.

Another day, undress each other.

Slowly.

One item at a time.

Take turns.

Read to her from her favorite novel.

Read to him from his favorite novel.

**Read together taking the two parts of a
steamy romance.**

Change parts.

Dramatic is good.

Name a tree after the one you love.

Or a star.

Or a mountain.

Or a cloud.

Or a glacier.

Or a universe.

Your choice.

You can do all of them if you like.

Tell a funny joke.

Laugh together.

Laugh raucously.

Laugh with abandon.

Snort if you like.

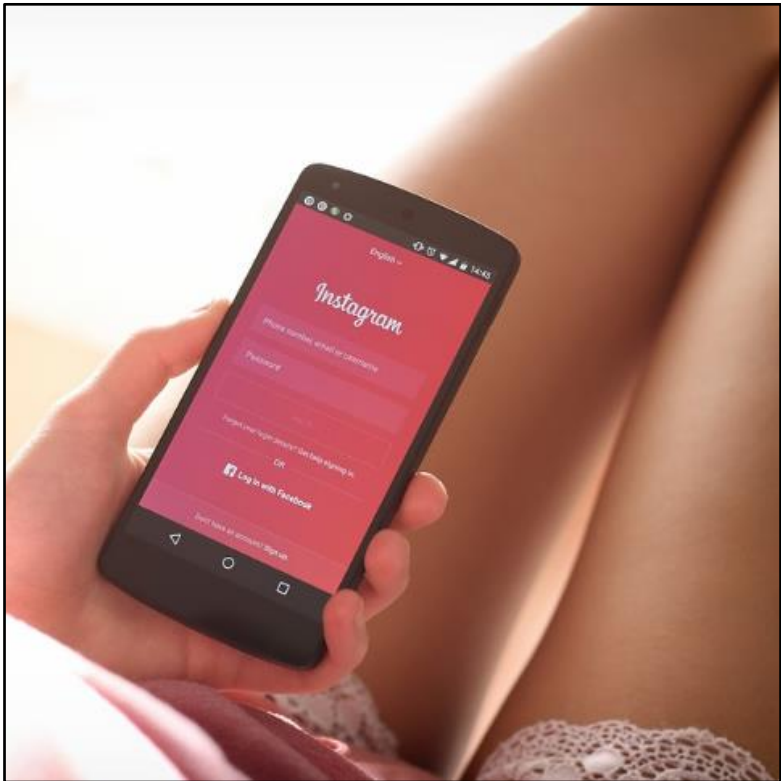

Post something sweet on one of your social networks.

Retweet it.

Pin it. Repin it.

Facebook Live it.

Don't go to bed angry.

God bless each other.

Every day.

Mean it.
